SPONSOR GUIDELINES

1. A policy has been established at COMOMAG to assign a sponsor to each person ordered to report to COMOMAG. The sponsor represents the command in welcoming the new arrival and assisting in the member's adjustment to the new locality. The following list defines the minimum effort expected of a sponsor:

a. Write to the person promptly, offering your assistance and any information you consider pertinent. Also be sure to include the complete mailing address for COMOMAG; and DSN/commercial phone numbers. This should be done within five days.

b. Keep the Admin Department and CSO informed of correspondence or information received from the person you sponsor. This may include an earlier than anticipated reporting date.

c. Attempt to contact the individual by phone. Sometimes this is a much easier way to pass info.

d. Answer correspondence from the individual promptly.

e. Arrange to meet the individual upon arrival to the area and assist with temporary or permanent housing for the family. Advise the CSO/Administrative Officer/Department Head when the person arrives in the area.

Note: NAS Corpus Christi does not put a person on the waiting list for base housing until the person actually detaches from their previous duty station. Be careful that you do not give the individual unwarranted optimism.

f. Be available to assist the individual when he or she reports for duty. Show the member around the base and identify facilities. Assist or arrange temporary transportation (i.e. rental car). Introduce him or her to other military personnel, go to lunch with the individual on the first day; etc.

2. You are expected to make the new arrival feel welcome at COMOMAG and are encouraged to enlist the aid of your spouse or other command personnel in getting the new family settled with as little disruption and confusion as possible.
